7.

Hints to Remember

Who: Bureau of Energy Efficiency and CPWD

What: sign MoU on promoting energy efficiency in buildings

When: published on 10th January 2019

Focus on promoting energy efficient designs and construction of new buildings and star rating of CPWD managed buildings across the country

The Bureau of Energy Efficiency (BEE) and the Central Public Works Department (CPWD) signed a memorandum of understanding (MoU), kick starting cooperation in building energy efficiency. According to the MoU, BEE and CPWD will cooperate on promoting designs and construction of Energy Conservation Building Code (ECBC) compliant new

buildings, star rating of CPWD managed buildings across the country with no registration or renewal fee, awareness on energy efficiency in building sector and support for capacity building of CPWD officials in ECBC.

The MoU will remain in force for five years unless rescinded by either party. This association of BEE, a statutory body under Ministry of Power which is mandated to implement policy and programmes in energy efficiency and conservation with CPWD, a premier construction agency of Govt. of India would establish new benchmarks for energy efficient buildings in the country and will support Government of India's vision for achieving energy security, economic growth and environmental sustainability.

9.

Hints to Remember

Who: University Grants Commission

What: decided to set up Consortium for Academic and Research Ethics (CARE)

Why: to refine and strengthen research publication

When: published on 7th January 2019

Credibility of Research Publications is extremely important because it has a direct impact upon the individual, institutional and National image. With an aim to refine and strengthen the University Grants Commission (UGC) approved list of journals, the UGC has issued a Public Notice dated 28th November 2018, and decided to establish a Consortium for Academic and Research Ethics (CARE). The good quality Research Journals in disciplines under Social Sciences, Humanities, Languages, Arts, Culture, Indian Knowledge Systems etc., will be maintained by CARE and referred to as 'CARE Reference List of Quality Journals'. This will be used for all academic purposes. The 'CARE Reference List of Quality Journals' will be regularly updated and published by the UGC and the Members of the Consortium at their respective websites.

10.

Hints to Remember

Who: Andaman

What: is to become the first Island to operate seaplanes under UDAN-3

When: published on 8th January 2019

India could soon see seaplanes being used to fly passengers with the government giving approval to 13 water aerodromes under UDAN-3. The very first seaplane could run within Andaman and Nicobar Islands.

Moneycontrol has learnt that approximately four different islands from Andaman and one island from Nicobar have been selected to fly seaplanes. These are Havelock, Long Island, Neil Island and Hutbay Island in Andaman and Car Nicobar in Nicobar.

“The Andaman government has said that they would give additional incentives to allow operation of seaplanes otherwise people would not visit the places,” an official aware of the development said.

Government sources said that Andaman government is keen on pricing the non-RCS (regional connectivity scheme) seats at same prices as under RCS to boost tourism.
