Seating Arrangement for IBPS PO Pre, SBI PO Pre, SBI Clerk Mains, IBPS Clerk Mains, LIC AAO and RRB Scale I Pre Exams.

SA Set No 141

Directions: Study the following information carefully and answer the questions given beside.

Eight persons are sitting around a circular table such that some of them are facing towards the centre while some are facing away from centre. M is third to the right of S, who sits second to the left of Y. P sits on the immediate right of X, who faces the same direction as faced by M. Neither X nor P is adjacent to M. C is third to the left of Y. Not more than 4 persons face outside. B and S face same direction. C is third to the right of B. J is second to the left of M. C and J face opposite direction to that of B. Immediate neighbors of C face opposite directions.

1. How many persons face towards the centre?

- A. 2 B. 3 C. 4 D. 5 E. Can't be determined

2. What is the position of J with respect to P?

- A. Sixth to the right B. Third to the left C. Third to the right D. Second to the right E. None of these

3. Find the odd one out?

- A. X B. S C. M D. Y E. P

4. Who is second to the right of C?

- A. X B. P C. J D. S E. Can't be determined

5. How many persons sit between J and B when counted from the right of former?

- A. 2 B. 3 C. 5 D. 4 E. None of these

Correct Answers:

1	2	3	4	5
D	B	E	A	D

Common explanation :

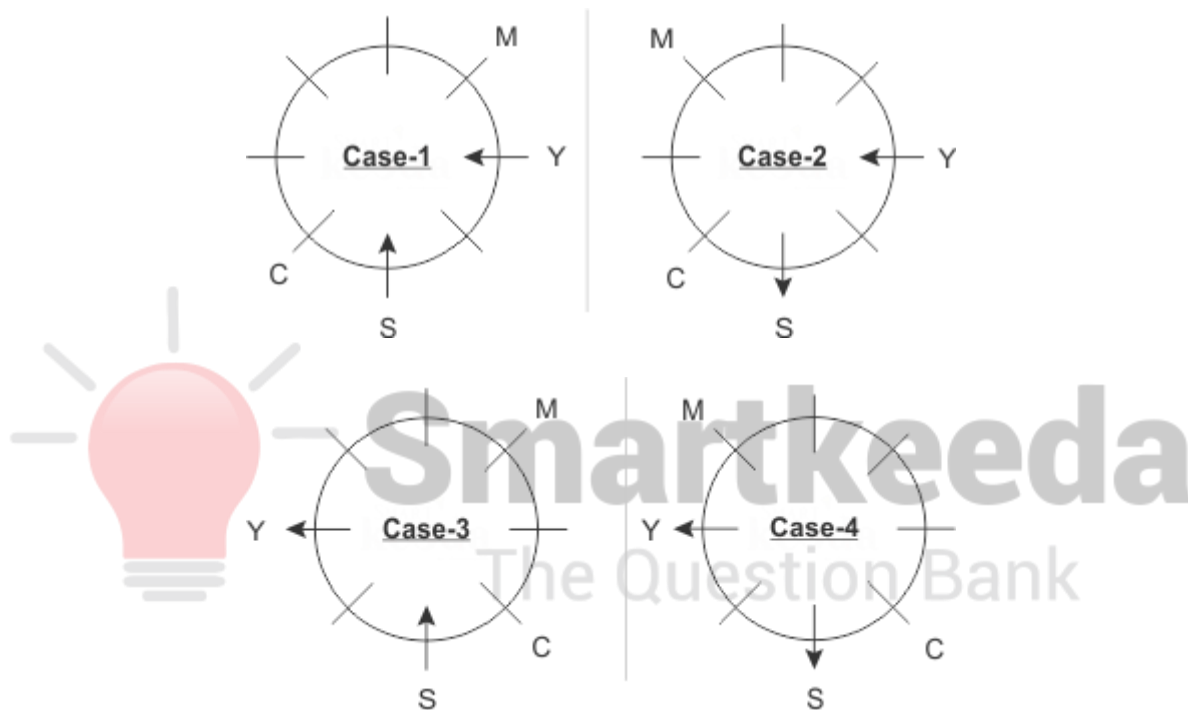

Reference:

M is third to the right of S, who sits second to the left of Y.

C is third to the left of Y.

Inference:

Following cases can be prepared with the given hints.

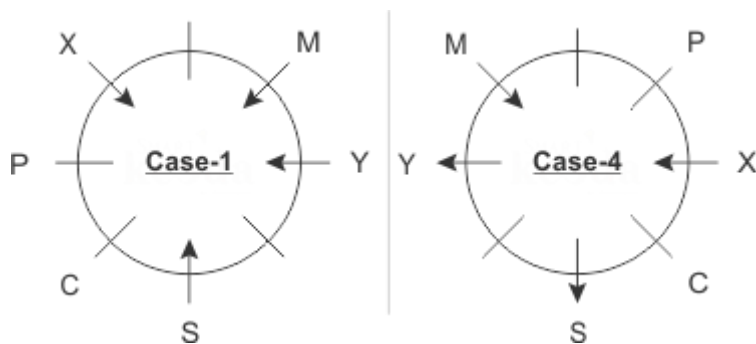

Reference:

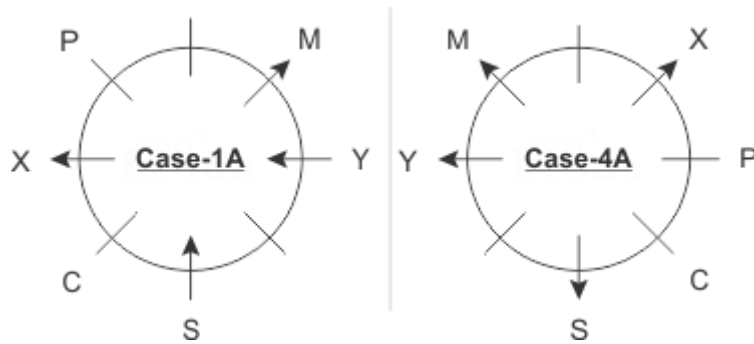

P sits on the immediate right of X, who faces the same direction as faced by M.

Neither X nor P is adjacent to M.

Inference:

Case-2 and Case-3 fail to satisfy the given hints. Further two cases arise from Case-1 and Case-4 which are named as Case-1A and Case-4A.

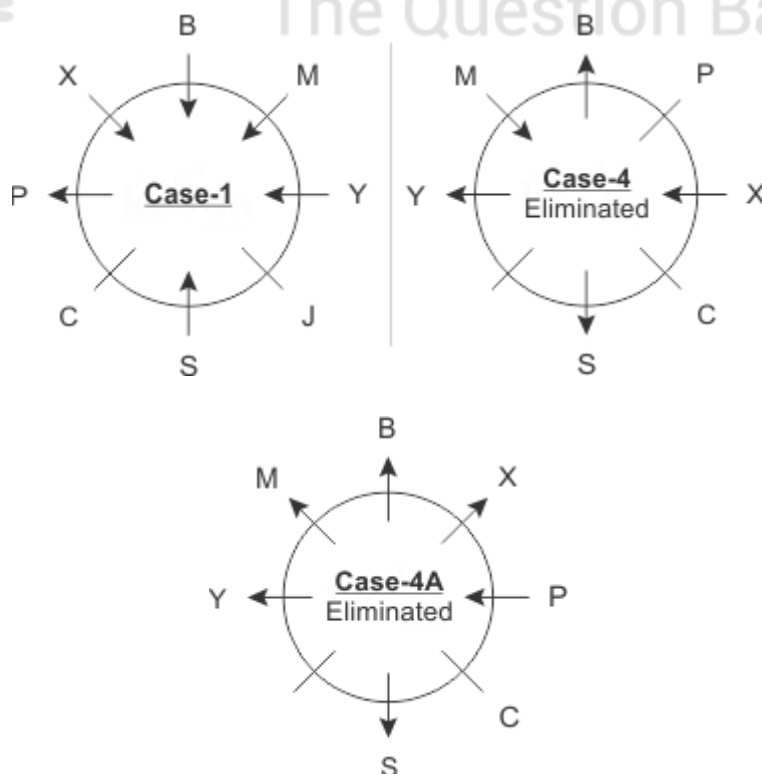

Reference:

C is third to the right of B.
 J is second to the left of M.
 B and S face same direction.
 Immediate neighbors of C face opposite directions.
 Not more than 4 persons face outside.

Inference:

Case-4A eliminated as it violates the last hint.
 Case-1A and 4 eliminated as they violate the second hint where J is to be placed second to the left of M.
 Thus only Case-1 fulfills all the given hints.

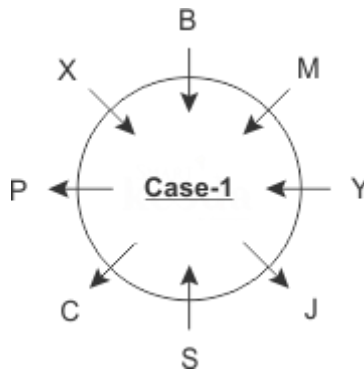

Reference:

C and J face opposite direction to that of B.

Inference:

The final arrangement can be obtained as follows.

Answers:

1. Following the common explanation, we have
5 persons face towards centre.
Hence option D is correct.
2. Following the common explanation, we have
J is third to the left of P.
Hence option B is correct.
3. Following the common explanation, we have
P is the odd one out as all others except P face towards centre.
Hence option E is correct.
4. Following the common explanation, we have
X is second to the right of C.
Hence option A is correct.
5. Following the common explanation, we have
4 persons sit between J and B when counted from the right of former.
Hence option D is correct.
