# Seating Arrangement for IBPS Clerk Pre, SBI Clerk Pre, LIC Assistant and IBPS RRB Exams.

## SA Set No 153

**Directions:** Study the following information carefully and answer the questions given beside.

Eight persons from A to H sit around a circular table facing towards the centre such that C is second to the left of E. A is third to the right of the one who sits diagonally opposite to D. F sits opposite to the one who is on the immediate left of B. Neither F nor G is adjacent to C. H sits second to the right of B.

### Questions :

**1. Who is on the immediate left of C?**

- A. A                      B. E                      C. F                      D. D                      E. None of these

**2. Who among the following sits diagonally opposite to B?**

- A. D                      B. G                      C. F                      D. C                      E. Can't be determined

**3. Four of the following five are alike in a certain way and thus form a group. Which of the following does not belong to the group?**

- A. C - H                      B. C - F                      C. B - G                      D. D - H                      E. E - A

**4. Who sits third to the right of H?**

- A. C                      B. A                      C. B                      D. G                      E. None of these

**5. What is the position of D with respect to A?**

- A. Third to the right    B. Immediate right    C. Immediate left    D. Second to the left    E. None of these

**Correct Answers:**

1	2	3	4	5
D	B	A	B	B

## Common explanation :

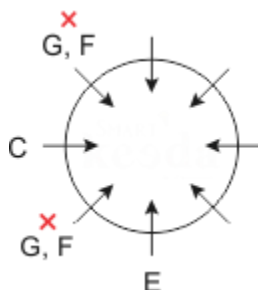

### Reference:

Eight persons from A to H sit around a circular table facing towards the centre such that C is second to the left of E.

Neither F nor G is adjacent to C.

### Inference:

Following arrangement can be prepared.

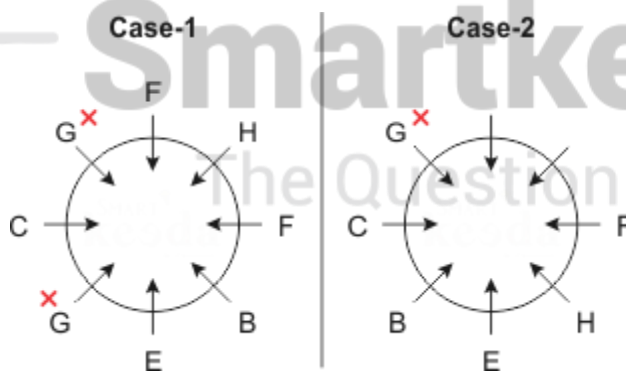

### Reference:

H sits second to the right of B.

F sits opposite to the one who is on the immediate left of B.

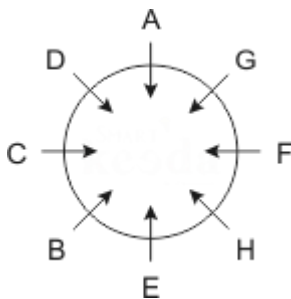

### Inference:

### Reference:

A is third to the right of the one who sits diagonally opposite to D.

### Inference:

## Answers:

1. Following the common explanation we have

D is on the immediate left of C.

Hence option D is correct.

2. Following the common explanation we have

G sits diagonally opposite to B.

Hence option B is correct.

3. Following the common explanation we have

C-H is the odd one out as rest are sitting either opposite or diagonally opposite to each other.

Hence option A is correct.

4. Following the common explanation we have

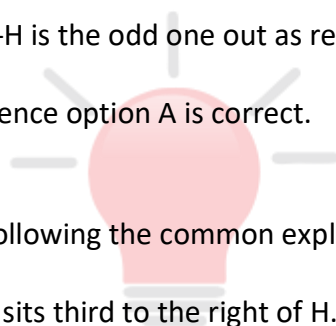

A sits third to the right of H.

Hence option B is correct.

5. Following common explanation we have

D is on the immediate right of A.

Hence option B is correct.
